AIRCRAFT RENTAL

A well equipped Cessna 172R including:

- ✓ IFR Instrument Panel
- ✓ JPI Engine Management System
- ✓ Garmin GTN 750 GPS with Nav/Com radio
- ✓ Full ADS-B In/Out capability with inflight weather and traffic alerts
- ✓ Auto-pilot

BREAKING NEWS!

We are adding a second Cessna 172 to our rental fleet!

AIRCRAFT PURCHASING & OWNERSHIP ASSISTANCE

Many pilots dream of owning an airplane, but are daunted by the expense and effort to find the right airplane.

Even once you have an airplane, there are things you need to know and do to keep it FAA compliant and safely flying. As a new owner, it's useful to have resources you can turn to for help.

That's where **Hodge Flight Services** comes in: we have put a lot of thought into airplane purchasing and ownership. Let's discuss how we can help you buy and/or maintain your airplane.

Call to schedule an appointment, as well as check our website and Facebook page for upcoming webinars.

FLIGHT TRAINING SUPPORT

Whether you want to learn to fly, add pilot ratings, complete a flight review, or brush up on your flying skills we partner with **United Pilot Services, LLC** to provide you everything you need. Call to arrange an appointment with an Independent Flight Instructor to discuss your flight training needs.

ATTENTION INDEPENDENT FLIGHT INSTRUCTORS

Hodge Flight Services and **United Pilot Services** have teamed up to provide you a training facility and services that allow you to focus on

what's most important: your students. To learn more give us a call, or visit their website at www.unitedpilotservices.com

CUSTOM FACILITY

Hodge Flight Services and **United Pilot Services** share a great facility for our customers.

Amenities include:

- Pilot Lounge (with internet, TV and fridge)
- Refreshments
- Pilot Training Rooms
